BANC Classic

The BANC Classic is the solution for anyone who wants to make the most of their swimming pool whilst retaining

the aesthetics of the area of relaxation.

Reliable

In accordance with the Swimming Pool Safety standard (NF P90-308). Abridblue has installed over 50,000 slatted covers to date.

Smart

Less evaporation.
Improved heat balance for longer swimming use at the lowest cost.
Cleaner water.

Efficient

Turn the key and in 3 minutes, the slatted cover rolls up or unrolls.
The travel stop positions are regulated and managed once and for all.

No stress

Closed/forgotten: once unrolled, safety is guaranteed.

Fits easily

into most existing or projected pools.

Practical

Completely detachable top facilitating slat installation, maintenance and cleaning operations.

Declutchable motor

Fast and easy installation

Quality in every little detail

The profiled slat wings provide an impeccable finish.
